## Customer Reviews

The eldest daughter of an eminent London newspaper man, Rosa Baughan soon established a reputation of her own — as one of the most intriguing spiritualists in Victorian Britain. In her short life, she published more than twenty titles devoted to graphology, divination and the influence of the stars. Her Handbook of Palmistry has been enchanting readers since 1883.

Arrived quickly, was very happy. Makes a great gift!

Good book for basic. Very simple if you're looking for more in depth.

Interesting coffee table book for an eclectic home. I purchased for a gift. The content lacks in readability for someone just wanting to skim through.

This book came in perfect condition! Looks Brand new! It is exactly what I expected! Thank you
