DragonFire (Dragon Keepers Chronicles, Book 4)

Synopsis

Three years of strife have passed since Kale and Bardon freed Paladin's knights. Now, fiery dragons scorch their beautiful countryside as an evil husband-and-wife wizard duo battle one another for supremacy. The people of Amara just want to be left alone, hoping the conflict will disappear. But Paladin is dying, and Bardon and Kale "now married" must accept fateful assignments if their land is to survive. Will their efforts turn the tide against their adversaries? They face a deadly threat and a challenging choice. Kale's responsibility is to find, hatch, and train an army of dragons, and she tackles the daunting task until she is shocked by a betrayal. As the Amaran countrymen seek escape, she must search for her husband, family, and friends while organizing an underground movement to weaken the enemy. But when the end draws near, Kale must choose between two dismal destinies. Prepare to experience breathtaking adventure and mind-blowing fantasy as never before in this stunning addition to Donita K. Paul's popular Dragon Keepers fantasy series.

Customer Reviews

Although uninitiated readers should certainly start from the beginning of the complex DragonKeeper series (DragonSpell; DragonQuest; DragonKnight), this fourth installment in the ongoing Christian fantasy will please its growing fan base. Whereas the third book focused most heavily on Bardon's adventures, this episode alternates between his story and the heroism of Kale, now Bardon's wife. Kale, charged with hatching and schooling a dragon army, enjoys help from her father but must

summon strength and courage from reserves she didn't know she had. Many other fantasy series begin to wear thin after several books, but Paul continues to delight readers with new and unexpected dimensions of the world they have come to love. It's a challenge to keep up with the dizzying cast of characters, but the writing is crisp and the setting imaginative. This series will speak to all ages of Christian readers, from preadolescent on up. (July 17) Copyright © Reed Business Information, a division of Reed Elsevier Inc. All rights reserved.

“DragonFire is a soaring adventure. But I wouldn't expect any less from Donita K. Paul, as she always gives us a delightful read: intriguing, challenging, and full of blessing.” —Kathryn Mackel, author of *Vanished* and *Outriders* —“A rich, fantastical treat” —“DragonFire lights the imagination with every turn of the page!” —Robert Elmer, fantasy/sci-fi author —“DragonFire is not a book only for the young of age, but also for the young at heart. Donita Paul possesses a unique talent for instilling deep wisdom and spiritual truth in a story that is engrossing and satisfying for adults and children alike. She is one of my favorite authors.” —Hannah Alexander, author of the *Hideaway* series —“In *DragonFire*, Donita K. Paul has outdone herself! Though all of her dragon tales enchant, entertain, and inspire, this latest entry reveals even more profound depths in her characters and in her magical winged creatures. This story will touch your emotions and your soul.” —Jim Denney, author of the *Timebenders* series and *Answers to Satisfy the Soul* —“DragonFire is as predictable as in the very best sense of the word! Breakneck pacing. Plot twists aplenty. Spiritual truths that inspire. And a powerful ending that here we go again leaves you wanting more.” —Tamara Leigh, bestselling author of *Perfecting Kate* —“DragonFire is a worthy continuation of the endearing series begun by Donita K. Paul. Lovable, admirable characters, entertaining adventures and misadventures, and breath-stealing plots twists, all deftly woven with sustaining strands of spiritual truth. Youth and adults alike will find these books impossible to put down until the last page is read.” —Janelle Clare Schneider, author —“Another enchanting fantasy” —starring the Dragon Keeper, Kale. Even when she thinks she's failed those she loves and who trust her, obedience and Wulder's love guide Kale. Inspiring.” —Lyn Cote, Author of *Blessed Assurance* —“Donita K. Paul has created another delightful tale featuring Kale, Bardon, and their enchanting friends. DragonFire takes the reader inside a wonderful world of fun and fantasy, with spiritual truths lighting each pathway. I loved it!” —Peggy Darty, author of *When the Sandpiper Calls* and *When Bobbie Sang the Blues*

Great book and an amazing series! I highly recommend you start from the beginning. The characters are flushed out- it's a little predictable yet enjoyable nonetheless.

Just finished this fourth book of the series, reading the fifth currently. While I loved the first three books, I must say 'DragonFire' left me a bit wanting. This entry just lacked a bit of the wonder and discovery that the first three books presented. Also, MUCH has changed between this entry and book three, so be ready for that. More than anything else though, the end is what disappointed me the most. It seemed very rushed and did not "wrap up" very well IMO. Hopefully book 5 is better, so far, so good.

An amazing book. I would highly recommend reading the entire series. Very positive and uplifting.

Really good book. Bought this for our 10 year old son. He loved it!

Do you have a son or daughter that is captivated by mystical stories, but you are looking for alternatives to Harry Potter and other mindless "magical" stories. Well DrangonFire just about does it. Paul give the reader the adventure they crave, but wraps it in an extremely thought provoking context. Great for any age...

I'm a middle school librarian and the kids love this book as an addition to our school library.

Great Book Series. Love the audio version too.

This is well written Science Fiction. It is appropriate for teens and adults. & has good characters who are attempting to be good people. No trashy parts, inappropriate language or undue violence but the book weaves an interesting story without them. I was delighted to find them for myself and they make nice gifts.
