Synopsis

This is currently (2016) the most up-to-date and only complete road map of Bonaire (Scale 1 : 40 000), as well as the Kralendijk urban area, spanning from Santa Barbara Crowns, through the airport, and all the way to Punt Vierkant (Scale 1 : 15 000). An inset of Rincon (Scale 1 : 12 000) is also included. All maps and insets come with thorough street indexes obtained from our surveys and local government agencies. *** The map shows all the island's known roads and streets with their names, as well as an extensive set of biking routes and kayaking trails. *** ALL OFFICIAL DIVING SITES around Bonaire and Klein Bonaire are displayed, most with their GPS locations, as recorded by STINAPA, the island's official conservation foundation. *** The map is sold folded, measuring 5 1/4" x 9 5/8" (13.5 cm x 24.5 cm) and is designed for easy opening and refolding. Its full unfolded format is 26" x 38 5/8" (66 cm x 98 cm). The map can also be hung on a wall to show the entire island. It offers rich topographic detail in an attractive full color layout with a high-quality glossy finish. *** Most important features: (1) Main and secondary roads; diving, snorkeling, and shipwreck sites; biking, hiking, and kayaking trails; beaches, bays, reefs, and marinas; national parks, protected areas, mountain peaks, and other natural features; caves and fossil sites; bird watching, turtle nesting, butterfly and flamingo areas; Indian inscriptions (petroglyphs), slave camp sites, watermills, and other historic locations; international airport, parking areas, sports arenas, medical centers, lighthouses, gas stations, places of worship, schools, police stations, post offices, and other points of interest; (2) Symbol key and scale; depth curves, soundings, heights, and contour lines in meters, longitude and latitude lines and other identifiers.

Customer Reviews

Woops. I rated this map on the playing cards item. This map is detailed with street names and is better than anything I have found on the island itself. Excellent map.
