The Unexpected (Unexpected Series Book 1)

Synopsis

A full-length novel. I've had a crush on my best friend's brother for years. Which wouldn't be a problem, if he wasn't such a cocky jerk. It's okay, though. My crush is based on shallowness, a simple attraction, so my heart isn't at risk of getting broken. Well, that is until my best friend decides she needs to teach her brother a lesson and take his cockiness down a notch. Her plan: I'll get Carter to fall in love with me and then break his heart. Not only does the plan work, but Carter ends up being different from the cocky jerk I thought he was. At least that's what I think at first. But Carter has secrets. Secrets connected to a dark, dangerous world. Secrets that could ruin my life.

Customer Reviews

For the price that it was offered, \$.99 ,it was a simple read. This book wasn't what I was expecting. It felt rushed and unrealistic. I was holding on that with each turning of the page it would get better, but it didn't quite met my expectations.

Pretty good, a little short. Definitely leaves you wanting more. Too many unanswered questions, but overall it's a good read.

I enjoyed this book a lot. I just wish there wasn't a cliffhanger at the end. I cannot wait for the second book to come out!!!!

I can't get enough of her books, and this one is no different. I read it in one day and can't wait for the next one!

Exciting book can't wait for the next one to come out.

This book didn't go the way I thought it would go. Elodie and Ensley are fantastic characters. I love their friendship. The plot thickens at the end . It ends with a cliffhanger.

Great story. Good pace. Dying to read the second book

I bought this because I saw it I'm Facebook. It sounded compelling. Really compelling. I was expecting a lot more from it. It was a little too quickly paced. In my opinion, it could have been spaced out more. Add some detail and more scenes to make it flow better. However, I did enjoy it. It was cute with an edge. I like our main characters and the dual POV. So...it's good, but could be a lot better.
