2022:WHAT WILL HAPPEN TO US WHEN THE ANUNNAKI RETURN TO EARTH IN 2022?

Synopsis

From TimesSquare Press: Just Published "HOW GOD YAHWEH ORDERED HIS CHOSENPEOPLE TO KIDNAP, RAPE AND SLAUGHTER WOMEN IN THE BIBLE". A must read book. Get it at.com

Published by Times Square Press, New York and Berlin. timessquarepress.com/ Author's website: maximilliendelafayettebibliography.com The MOST IMPORTANT, INFORMATIVE AND EXPLOSIVE BOOK EVER WRITTEN ABOUT THE ANUNNAKI, THEIR WORLD, THEIR RETURN TO EARTH, AND PLAN FOR HUMANITY in: *2,034 A.D. *2,031-2,033 A.D. *2,029 A.D. *2,028 A.D. *2,027-2,026 A.D. *2,026 A.D. *2,025 A.D. *2,024 A.D. *2,022-2023 A.D. *The author, Maximilien de Lafayette, have been so fortunate as to study with the Anunnaki Ulema who are the guardians of this knowledge in Egypt, Iraq, the islands of Arwad and Cyprus. This is the first time he is making use of this depot of knowledge about the Return of the Anunnaki to Planet Earth, and we are very lucky to have access to it. The subjects introduced in this book are explosive. Most important is the fact that it reveals the potential return of the Anunnaki in 2022, and the most frightening transformation that it would bring to the earth. If this is going to happen, a huge number of the people on earth, those grossly contaminated by Grays' DNA, will be annihilated. You know who they are - the child murderers, the rapists, those who torture, those who abuse, the vicious politicians, the slaves of money and power, etc. Unless they do their best to clean themselves during the grace period of the next 9 years, those of mid level contamination will also be destroyed. Those who would manage to clean themselves to a certain degree may possibly (but without any guarantee) be able to escape the burning, smoking earth through special portals, called Ba'abs. For those of us interested in the use of esoteric codes, they are here for you to learn. Each term will teach you how to use it for your benefit, how to apply it not only to your spiritual growth, but to your business, relationships, and daily life. You will learn how to interpret the codes in many ancient languages, how to build a physical amulet/code that will protect certain aspects of your life, and how to develop your psychic and extrasensory powers by simply using these codes. You will learn how the Anunnaki, our original creators, and how God fit into all this. Religion, true and false, will be explored. Jesus, who never really died on the Cross, will be shown as a historical figure, with his wife, Mary Magdalene, with whom he escaped to ancient Marseille. Who were Adam and Eve? Who was the Serpent? How do the gods of Sumer signify to us? The book is arranged in the time-honoured tradition of questions and answers. The return of the Anunnaki is not a new idea. It has been already announced in sacred scriptures, but of course interpreted differently. Some said

Jesus is an Anunnaki, and he will return as a cosmic Messiah. A new school of religious thought in Iran suggests that Mohammed will return as a celestial being. And we should not to forget the Rapture and the Gnostics as well. But all of them have their origin in the Anunnaki texts, because these texts were written thousands of years before the Old Testament, the New Testament, and the Quran. The book includes: *What Is Going To Happen To Organized Religions? *How Will The Human Mind Benefit From The Anunnaki Connection? *What Will Happen To The Teachings Of Jesus, Moses, Mohammed, And Buddha, If The Anunnaki Demolish All Religions And Our Religious Beliefs Systems? *What Will Happen To The Vast Numbers Of Animals That Used To Live In Farms For Consumption Purposes, And Are No Longer Consumed, Since Everyone Is Vegetarian? *What Will Happen To All The Homeless Pets, Whose Infected Owners Were Destroyed? *What Will Happen On Earth During The Final Clash With The Anunnaki? *Are The Anunnaki Going To Change Our Way Of Life?

Customer Reviews

It reads along the same line as many ancient aliens theorists have talked about. I liked the collective

intelligence we will be able to tap in to. Also the long life spans . All said and done it was a good read.

I think this book provides important questions about our origins. We must read this book with an open mind. Great book!

Far fetched, with little proof of the theme!

I did read part of this and think it is a very well written book. I have to compare it to other research before I can give an ultimate decision about how true the information is.

I did not like the question and answer format at all. It was very disjointed and hard to follow.

Very badly written book. Not worth buying!!

A truly unique collection of information, believe it or not! If you are looking for something beyond the ordinary to stimulate your mind I highly recommend this book. But please note that this is for those that have an open mind. I can't help feel that this really could be our forgotten history and I plan to read other books written by Maximillien de Lafayette. If you are willing to let go of the traditional teachings of religion/s and Western Teachings you are in for a read of a lifetime!! While back I purchased a volume of the Anunnaki Dictionary I was enthralled and captivated by what I was reading and can now see the connection that our present state of being is derived.

While reading this book , I continually asked myself HOW Does HE KNOW an alien race future plans!!!!
