Customer Reviews

Whether you're looking for basic information about what an alkaline diet is or good soup recipes or a system to get your health back on track, I think you will be happy with the information in this book. The recipes range between comfy old favorites like ginger carrot, minestrone, vegetable barley and white bean and kale, to the unique green soup and farro chili. Please note that you will not see photos of the finished recipes in the Kindle version. I don't know if the print version has photos inside of it or not.

It was well done and most recipes in here sound soooo good! I love soup

Eat fantastic soups and get energized while you lose weight!
