Full Impact (Surviving Southside)

Synopsis

It's a full-contact sport. Norval and Arnie are two of the stars on the Southside High football team. They're best friends off the field, too, and they're both hoping to play college ball some day. But Arnie has been acting weird lately. And Norval isn't the only one who has noticed. When Coach Green asks Norval to watch Arnie for signs of a concussion, it sounds like spying. But is betraying Arnie the best way for Norval to help his friend?

Suzanne Weyn is an author and teaches part time at City College in New York. Her recent novels include The Bar Code Tattoo (2004), and ALA Quick Pick for Reluctant Young Adult Readers, and its sequel, The Bar Code Rebellion (2006).

My 9th Grade READ180 students love this entire series. It is similar to the Bluford High series, but at lower Lexiles and the books can be read in any order. I have all 12 in the series to-date and hope there are more on their way.

This book should be required reading for all athletic boys and girls who care about them, the life lesson is crucial.
