Eleanor Herman is the New York Times Bestselling author of *Sex with Kings*, as well as three other works of nonfiction: *Sex with the Queen*, *Mistress of the Vatican*, and *King Peggy*. Obsessed by all things royal and historical, she lives in McLean, Virginia with her husband and four extremely dignified cats. *Legacy* is her first novel.

Always intriguing and well written. The same characters viewpoints from the first books and several new ones. Every new chapter is addicting and builds in nonputdownability.

This has become one of my favorite YA fantasy series. The writing, story and characters just gets better and better with each book. I love the fusion of fantasy, mythology , and having Alexander the Great as central character. Non stop action and sweet romances. This series ranks right up there with Sara J Mass *Throne of Glass* series and Rae Carson *The Girl of Fire and Thorns*. So incredibly good. I thought this would be the last book in the series but I was wrong. Can't wait for book #4 to see what will happen.
