Playing Fair: A Book About Cheating (Growing God's Kids)

Synopsis

Stories to Encourage Positive Behavior in Small Children
The preschool and kindergarten years are some of the most important formative years of a person's life. Habits and attitudes developed during these crucial years affect a child for the rest of his or her life. These years are also a challenging time for parents as their children test boundaries (and patience). How parents and children respond makes all the difference in the world. The Growing God's Kids series is designed to help young children understand their feelings, develop godly ways to deal with temptations, and form positive attitudes and behaviors that will serve them well in the future. In *Playing Fair*, parents and children discover why playing fair is important.

Customer Reviews

Discover the value of playing fair
Sometimes Max cheats to get what he wants. He tricks his brother out of his fair share, moves game pieces when he thinks no one is looking, and changes the rules whenever he wants. Everyone likes winning. But cheating is wrong, and it never quite turns out the way Max expects. . . Come and learn a better way to handle the temptation to cheat--God's way!
The Growing God's Kids series helps young children learn how to deal with emotions and behaviors that are part of growing up. Carolyn Larsen is the bestselling author of more than fifty books for children and adults, including the popular Little Girls and Little Boys Bible storybooks.
