Books On The American Civil War Era: A Critical Bibliography

Synopsis

Tens of thousands of books have been published on the Civil War. In an effort to list some of most important titles, in 1997 the University of Illinois Press published *The Civil War in Books: An Analytical Bibliography*, by David J. Eicher. This well-received reference work includes books published through mid-1995. As anyone who has studied this era knows, a vast number of significant books have been published since that time—hence the need for this updated bibliography. *Walter Westcote's Books on the American Civil War Era: A Critical Bibliography* includes nearly 3,000 books, most of which have been published since the appearance of Eicher's groundbreaking 1997 study. Topics are wide-ranging and organized into easy-to-use categories, so readers can find exactly what they are seeking. Organizational categories include battles and campaigns (all theaters, including naval actions), Confederate and Union memoirs and biographies, general works on a vast array of topics, state and local studies, and unit histories. Readers will also be pleased to find a list of classic studies published before 1995, as well as more than 200 books that represent a continuation of a series begun prior to that time, and the completion of the *Supplement to the Records of the War of the Rebellion*, which consisted of twenty volumes in 1995 but now exceeds 100. Each account lists the author or editor, title, date of original publication (and reprint, if any), publisher, page count, and a short summary of its contents.

Book Information

Hardcover: 306 pages

Publisher: Savas Beatie; Critical edition (March 19, 2018)

Language: English

ISBN-10: 1611212707

ISBN-13: 978-1611212709

Product Dimensions: 7 x 1.2 x 10 inches

Shipping Weight: 1.7 pounds (View shipping rates and policies)

Customer Reviews

New York City native Walter Westcote graduated from Brown University and worked as a trust

administrator, pension actuary, and administrator of 401(k) plans. His interest in the Civil War arose in part because of his exposure at a young age to stories of his great-great-grandfather, Union General Isaac P. Rodman, who was mortally wounded at Antietam. He has collected books on the Civil War era for much of his life.
