## Customer Reviews

Here is another book on a great intercessor whose faith was so powerful that his trust in the Lord to provide finances to build large dormitories for orphans and for their private schooling. What is amazing to me is how the Lord uses sinners who have called out to Him to change their lives and as they come back to Him....they are called to do great things for the glory of God. Matthew 6:31 - 33

says, "So do not worry saying, "What shall we eat, what shall we drink, or what shall we wear? For pagans run after all these things, and your heavenly Father knows that you need them, BUT seek ye first the kingdom of God and all these things shall be given to you as well."

Love that these documentaries of heroes of the faith are available on Prime video. This man is worth honoring and this film is worth watching!

The life of George Mueller is a fantastic example of how God will accomplish mighty things through those who willingly surrender to Him. By an incredibly substantial life of faith and prayer Mr. Mueller demonstrates the wonders achieved by God's grace in those truly wanting to glorify God. Although Mr. Mueller is well known for his work among the impoverished children of London, the orphanages were only a vehicle by which an unbelieving public could see a tangible result of God's intimate concern for His creation. The principles that hold true for Mr. Mueller of the 1800's are no less true now for all those who submit to the sovereign will of the Lord. In this way, the biography of George Mueller becomes a personal challenge that believers may aspire too.

Any book that you can find by George Mueller will be worth your while to spend time reading it. I believe I have every book he has ever written. George was a German, and that is why I have changed the spelling of his last name. Muller is the English spelling of the German name Mueller. Find the book and enjoy. Betty

I read it mainly how to find out to get a ministry funded. It was recommended by Curry Blake of John G Lake Ministries. Well worth the read. Very passionate and dedicated man. Did many wonderful things for the Kingdom of God during his lifetime.

Very practical lessons in this book for today's Christian. It takes us through George Muller's life as he grows and fails in front of the Lord. I loved the journal recordings mixed in with the Author's writings.

Larger than I was expecting, not very elegant, more like something I could have gotten printed at FedEx Office; but it's all there, and it's a GREAT biography!

Want to know how to live by faith, read this book.
