Healing Words: 55 Powerful Daily Confessions & Declarations To Activate Your Healing & Walk In Divine Health: Strong Decrees That Invoke Healing For You & Your Loved Ones

Synopsis

Words are spiritual forces that have power to create physical realities. This is not a mere new age philosophy. It is an infallible truth, etched in the WORD of God. By speaking a certain way, you can fast-track the manifestation of your healing which you have prayed for. In this book, I want to help you with WORDS you should be speaking after praying for healing to release God's healing power in your life or that of your loved ones. If you have prayed and believe God for your healing, then start speaking these words of healing daily and you'll surely be made perfect in your health. I believe that God's power can heal us of any ailment we face today. It doesn't matter how serious the matter is. It doesn't matter the name the doctors call it. God's power can set us free. I have personally experienced supernatural healing several times in my life. So no one can talk me out of it. I believe that we can pray and receive healing from heaven. God doesn't count on our sins to heal us. We don't need to struggle to receive healing from God. If you have a loved one who is experiencing health challenges at the moment, forward this book to him/her and or help the person learn to speak these WORDS of healing. It won't be long, the WORDS of Healing you speak will form flesh and be made manifest as a light, total deliverance and restoration. God's WORD works.
