Cheap, Easy, Fabulous, Homemade Dollhouses

Synopsis

Can't afford to spend hundreds on a dollhouse? Choose the one you want and make it yourself with this easy-to-follow guide. Create a dollhouse from an aquarium, a wooden stool, or even a cardboard divider. You'll love how impressive these houses are and any one of them can be made with ease and with little to no money. And the best part? When you make your own dollhouse and spend little you can have a huge variety of dollhouses one for every room in your own home. And in some cases, the dollhouse can be made in seconds!

Customer Reviews

Like the headline says, i do not recommend. Really bad pictures! The text was ok but the pictures was bad. It does show cheap ways of doing a dollhouse simple, but some ways are just strange...

It's very general text that feels like a translation and poorly photoshopped images. No pictures of actual dollhouses. Waste of time.
