David Woodroffe is an experienced freelance illustrator and paper engineer who has contributed artwork to a wide range of media companies over the past 30 years, from magazine and book publishers to advertising agencies.

I love all of the Dot to Dot books by David Woodroffe. When a dot to dot page is completed, it looks more like a picture than a dot to dot page. I like that very much! Excellent and fun!!

my mom will love it

A+

This is an excellent book. Highly recommend. The artwork lovely and enjoyable to do.

Perfect!

Love this

This is a great book! The one drawback is I have trouble seeing the small numbers so I use a magnifying lens but the picture turns out better because the numbers are harder to see.
