Customer Reviews

Crappy. Tiny and pics are poor quality . Was going to e a gift but will not be giving it. Reordering a different calendar.

Agree with prior reviews. The calendar itself is small, and the monthly photos are made even smaller due to large borders. My husband bought it as a gift for me, and unfortunately doesn't look at things like dimensions, so that's his bad. But even so, there's no indication that the interior photos are even smaller. This is a ridiculous wall calender, particularly for the price, and I wish I could give it zero stars.

Terrible...very disappointed....not made to hang on wall. Small size.

Beautiful. But I thought the calendar was going to be a bit larger

Put this on my wish list. Both myself and the giver of the gift are disappointed. It is not a calendar you can hang on the wall. It is bound like a book, like a planner with just the months. The layout & formatting of the book is off making it sloppy looking.
