Elmo promises to go to sleep--after he pats the cat and feeds the fish and hears one more story and has one more drink of water. Told with a bouncy beat that winds down to a soothing sway, this story is just perfect for bedtime! --This text refers to an out of print or unavailable edition of this title.

My 2 year old loves this Elmo story! We read it to him almost every night before bed. The rhymes are cute and the pictures are very bright and colorful. I love the Golden Books like this because they are easy for him to hold and flip the pages as we read. He likes to look at this book by himself even when it's not bedtime!

This is a great bedtime story book. My kid loves Elmo and it is fun to read. There are lots of things you can teach your kids words for as well. It is a great learning book.

This is a must read at least three times a week in my house. It's a great settle down for bed book for my 4 year old and 1 year old.

I purchased this for my nephew for Christmas. He's a big Elmo fan, I'm sure he will love it!

My 14 month old loves this book...it's beautifully written and illustrated!

Bought this for our granddaughter who loves Elmo.

Book is very thin and story is very short. My daughter (almost 2) said it was ok.

One of our favorite Elmo books!
