The Violin Concerti And The Sinfonia Concertante, K.364, In Full Score (Dover Music Scores)

Synopsis

Written in the year 1775, Mozart's lively violin concerti manifest the young composer's astonishing maturity and command of his craft. An "incredible fluency of musical speech & richness of texture and sheer beauty of melodic line pervade this music" (Veims, *The Concertos*). Indeed, the concerti are the composer's earliest compositions that have maintained a secure position in the world's repertoire. Also a staple of the concert hall is the *Sinfonia Concertante*, K.364, composed in 1779, and scored for violin, viola, and orchestra. Undoubtedly the most significant work Mozart composed that year, the piece is distinguished by its symphonic sweep, advanced harmonies, and the beautiful slow movement, among Mozart's most moving creations. Now all six masterpieces are available in this convenient, inexpensive edition. *Concerto for Violin and Orchestra in B-flat Major*, K.207 *Concerto for Violin and Orchestra in D Major*, K.211 *Concerto for Violin and Orchestra in G Major*, K.216 *Concerto for Violin and Orchestra in D Major* K.218 *Concerto for Violin and Orchestra in A Major*, K.219 *Sinfonia Concertante in E-flat Major*, K.364 Essential to the repertoire of every serious violinist, and reproduced directly from the authoritative Breitkopf & Härtel Complete Works edition, these celebrated compositions offer a wealth of challenge and inspiration to musicians and further incontrovertible evidence of Mozart's multifaceted genius.

Customer Reviews

A child prodigy who blossomed into the Classical era's most influential composer, Wolfgang

Amadeus Mozart (1756â 91) wrote more than 600 works in his brief life. His oeuvre encompasses a wide variety of genres, including symphonic, chamber, operatic, and choral music.

Dover has done it again. They usually put out really nice scores that are solid, and they continued their tradition here. I got this score so I could see all the parts in the Sinfonia by Mozart. The binding is tight, the parts scored correctly, the lines are easy to follow, the printing clear and crisp. Everything flows together just as if it was Mozart writing himself. I'd recommend this for conductors, students and anyone just wanting to follow along and really discover in depth the mechanics and beauty of Mozart.
