My Gita

Synopsis

In My Gita, acclaimed mythologist Devdutt Pattanaik demystifies The Bhagavad Gita for the contemporary reader. His unique approach - thematic rather than verse by verse - makes the ancient treatise eminently accessible. In a world that seems spellbound by argument over dialogue, vi-vaad over sam-vaad, Devdutt highlights how Krishna nudges Arjuna to understand rather than judge his relationships. This becomes relevant today when we are increasingly indulging and isolating the self (self-improvement, self-actualization, self-realization - even selfies!). We forget that we live in an ecosystem of others, where we can nourish each other with food, love and meaning, even when we fight. So let My Gita inform your Gita.

Customer Reviews

Currently I am reading Gita. Each reading of it gives different experiences. My Gita, in its lucid way of expression has added additional dimension to it. Good narration. Devdutt Pattanaik in his own way explains and you cannot stop reading. Very interesting and illuminating.

Excellent books. This is very unique when compared with other books on The Gita. The author has done good research and has penned it in a very insightful manner.

This book is yet another classic piece of work from Devdutt. I have thoroughly enjoyed reading it and I love the way he has brought out the meaning of Gita in this book.

Nice illustrative way of explaining complex topics. But the themes are not consistent or sequenced.
Good for beginners of Gita

Simplified and an interesting way to understand. Typical Devdutt Pattanaik way of explaining the meaning behind many Hindu terms. Saw shades of Ramakrishna Mission's Bhagavad Gita. Good read.

Reading this book once will not suffice. A great deal of research has been done. It is a mid way between a self help book and mythology fiction. Enjoyed to the fullest.

Must read if you are looking for a lucid explanation of Gita without getting entangled into intricacies of language.

Excellent interpretation of the Gita. Very Westerner friendly.
