Customer Reviews

Great collection of fairy tales. I like the more classic Mickey and friends (as opposed to Mickey Mouse Clubhouse) illustrations. I have been reading these with my 3 & 4yr old children every night. They both love them.

Adorable short stories for kids. We bought this when my son was 4 and he understood and enjoyed it. May be slightly wordy for a 3 year old, but it depends on the kid, I'm sure.

Our six-year-old grand-daughter loved having it read to her and reading it herself. Her three-year-old sister enjoyed the stories too. However, ten to fifteen minutes were needed for each story. Perhaps five minutes applies to reading the stories to oneself. Overall, definitely worth the price.

It's well made absolutely beautiful book ;should have cost lots more

An absolute hit with my 3 year-old Mickey Mouse fanatic

Our 3 year old loves these stories. It is nice to have several stories in one book when traveling.

Love these books!! Great value

Love this book...cute stories and vibrant illustrations. We have several books in the "5 minute" series, and they are all great.
