No Contact : How To Beat The Narcissist

Synopsis

This is the definitive guide to implement and more importantly maintaining No Contact in order to beat the narcissist. Written from the perspective of how the narcissist regards No Contact and what he or she will do to defeat it, you will find a vast amount of insight and practical observations that will assist you in your desire to rid yourself of the narcissist in your life. This book covers precisely what No Contact involves, why it is so effective with a visceral explanation as to how it affects the narcissist. The content of this publication addresses why No Contact is so hard to execute, what steps you must take to implement and maintain it, including how and when. It covers what the narcissist will do to destroy the implementation of No Contact and thus enables you to plan to counter these machinations. It takes you through the response of the narcissist from his point of view as No Contact is implemented including the blitzkrieg that is the Grand Hoover as well as taking you through the many power plays the narcissist will use against you to break your No Contact. This guide will open your eyes to what the narcissist thinks and does in order defeat you and is an unmissable and powerful tool in your battle against the narcissist.

To escape a narcissist from a love relationship is a huge challenge.... No-you can't be friends, No-they can't be civil, No-you can't depend on them in a crisis. Find out why you MUST break contact with your ex narcissistic lover! Brilliantly written!

H.G. delivers again in this book with step-by-step approaches on preparing yourself to go no contact. It is not something to wake up one day and try to do "cold turkey". Whether a short term relationship or long-term extending for many years including children, you will find answers and resources in here.

Excellent resource! HG Tudor teaches readers how to go no contact effectively. Who better to tell you how to go no contact than a real narcissist!? It is a must read!

Thank you for this book. It came to me at a perfect Tim in my life. I now have some valuable tools to help me through no contact!

Spot on

Read, read, and read again. Trickery at its worst. Brilliant insight in to how you can help protect yourself and preserve your sanity.

Best advice on how to break away from someone who keeps your emotions on a teeter totter. Good insight and easy read. I'm reading many books in his series.

Anyone living under oppression needs to read this book, opened my eyes for sure. I intend to buy more books along this line
