This is an account of the two journeys Thesiger made into the Danakil country (in Abyssinia) in 1933-4 at the age of 24. In a number of ways these journeys were the most influential of his life, laying the foundations of the man considered by some to be the greatest living explorer.

Another fine tale of exploration and adventure. Nesbitt was denied entry to the Arussa Sultanate and had to take the more dangerous route through the Burri Sultanate. His(Thesiger's} account of his life as a youth in Addis Ababa is worth the read as well. If you enjoyed Desert and Forest I recommend this work as well. It expands and clarifies some of Nesbitt's observations on the life and customs of the Danakil tribesmen.

parfait merci

Interesting glimpse of the past

At the risk of encountering serious bodily harm, the very young Thesiger manages to overcome many hardships and much opposition on his trek through the deserts of southern Abyssinia, but you have to read between the lines to get many thrills.
