Lyle, Lyle, Crocodile Storybook Treasury (Lyle The Crocodile)

Synopsis

Every home should have a crocodile! Splish, splash. Over fifty years ago, the Primms moved into the house on East 88th street and found a crocodile soaking in the bathtub. Since then, Lyle has won the hearts of all he meets. This collection features an introduction by Bernard Waber, Lyle's creator, a digital download of Mr. Waber reading Lyle, Lyle, Crocodile, and four complete books: The House on East 88th Street, Lyle, Lyle, Crocodile, Lyle and the Birthday Party, Lyle Walks the Dogs

Customer Reviews

"Illustrations have verve and are a perfect complement to the story. Highly recommended."

— School Library Journal, starred

Bernard Waber, who has written eight delightful books about Lyle the Crocodile, a little boy named Ira, and a firefly named Torchy, is the author of more than seventeen picture books for children. Widely praised by reviewers for his ability to describe common family problems, he is best loved by children for his freeflowing humor and gentle characters.

I have a 1st grade reader who I volunteer to help with reading. He loves crocodiles real and fictional. He loves the story of this extraordinary crocodile. The book is a great way to teach about love,

forgiving, family and so much more. The fact that it was written over 50 years ago also is an opportunity to show a child what life was like without computers and social media.

My maiden name is Crocker. We had almost all the Lyle Crocodile books, because we were the "Crocker-dyles." My dad used to read this to his 3 "kiddos" all the time. He loved this book so much that when he bought a small 2 man sail boat, he named it LYLE. He even had a 6 inch Lyle painted on the back of the boat. It was really cute. Anyway, my dad just passed away and is now with Jesus. When I saw this book on , I just had to have it! I was thrilled to see that it was not just one of the stories Dad had read to us, but many! It now sits on my coffee table and is great conversation piece and a wonderful reminder of my awesome dad. I have a new granddaughter, and I will be reading this to her as soon as she is old enough. Enjoy the book!

I grew up with Lyle the crocodile! As a kid, this was my favorite book from my childhood. I loved the illustrations, full of so much detail and color. And the story is very engaging too. It really has a lot of memories for me. I purchased this book for my kiddos so I could share a little of my childhood. But this book includes all the Lyle stories from all the books, much more than what I had growing up. Still love reading them to my kids!

Lyle is a classic.....my babies loved it.....now my grand babies are equally captivated by Lyle, Lyle! This is a Christmas gift for my 19 month old granddaughter who first met Lyle in a book at Grammy's house that dated back to her daddy's childhood. It was an immediate hit with her. This is a great collection of Lyle stories and my son and his wife are very pleased with this addition to their daughter's bookshelf.

Very nice collection of Lyle's adventures.(The counting story by Waber's not so great.)

Fun collection of Lyle Stories.

Very cute collection of lovable Lyle the Crocodile stories

Still as adorable as when I was a kid. I love the illustrations and how silly-wonderful the idea of having a crocodile family companion is. I bought this edition for my two-year old cousin and am delighted to report that he asks for at bedtime routinely.
