All Is Grace: A Ragamuffin Memoir

Synopsis

It has been over twenty years since the publication of *The Ragamuffin Gospel*, a book many claim as the shattering of God's grace into their lives. Since that time, Brennan Manning has been dazzlingly faithful in preaching and writing variations on that singular theme "Yes, Abba is very fond of you! But today the crowds are gone and the lights are dim, the patches on his knees have faded. If he ever was a ragamuffin, truly it is now. In this his final book, Brennan roves back his past, honoring the lives of the people closest to him, family and friends who've known the saint and the sinner, the boy and the man. Far from some chronological timeline, these memories are witness to the truth of life by one who has lived it "All Is Grace."

Customer Reviews

Tragic story but redemption heals. There is an eternal God with a place prepared

This is an honest story of a man's call from God, his attempt to follow in spite of addictions and failings and God's grace to love him as he was instead of as he should be. God used him to reach

out to thousands of people struggling with their own temptations. Very thought provoking book.

I love autobiographies and biographies and this one did not disappoint. This book has expanded my thinking about following Christ and His grace.

Great read from a true servant.

Amazing and thought provoking introspective. I love it.

Good read if you've appreciated Brennan's prior books

Authentic journey of faith through the highest highs and the lowest lows, revealing the long-term affects of difficult childhood, and resonating challenges into and through adulthood. Reveals the possibility of reconciled life with God and with others. A God of grace, big grace, such grace that it will be absolutely repulsive to any who have put God's love into tight quarters. Laughter, tears, and hope-provoking.

Brennan Manning holds nothing back and makes no excuses for his struggles and contradictions in life. But he does hold out that through his entire life he reached out for and was captured by God, His love and His grace. What I learned from reading this book is to give grace to those who struggle because we do not know their story . . . really. Even Brennan who suffered as a child under a harsh mother didn't know her story, as he admitted in the book. We all should follow the example of Abba and hold out our hands in grace, especially to his struggling servants, instead of judging them. God calls them for a lifetime and doesn't take it back, even when they stumble and fall. The same is true of us. All is Grace.
