## Customer Reviews

Your Travel Destination. Your Home. Your Home-To-Be. Indianapolis Hoosier hospitality. Top value for money. Great music and sports. Outstanding eclectic cuisine. Museums, performance venues, and outdoor activities galore.â A personal, practical perspective for travelers and residents alikeâ Comprehensive listings of attractions, restaurants, and accommodationsâ How to live & thrive in the areaâ "from recreation to relocationâ Countless details on shopping, arts & entertainment, and childrenâ 's activities

Jackie Sheckler Finch has been named Mark Twain Travel Writer of the Year three times by the Midwest Travel Writers Association. She is the author of *Insidersâ ' Guide to Nashville and Tennessee Off the Beaten Path*.

A lovely book to describe Indianapolis. As in other reviews, I agree that the book is definitely written by someone who loves this city and is not critical of any aspect. Its thus hard to get a full sense for what to do in the city. It is, however, one of only a few books on Indianapolis and I'm very pleased with the information I was able to gather about the city for my trip. Definitely worth it if you will be in

the city and are clueless about what to do :-)!

It's a fair description of the city. These authors who write this type book are always a) very familiar with the area they write about but b) not always able to really give a truly critical review. It must be like trying to describe your children to someone who has not met them, and remaining totally unbiased. It's hard to do. They like their cities and have pride in them, and it shows. This is not a bad thing, just keep that in mind. If you just like to get the feel for a city by someone who knows it well, these books provide that. This author also gives a good review of the history of the area and how that has led to the development, which is always nice.

Great guide for Indianapolis, we were thinking of moving there and this was a great book for the area. We did not move, but we do plan to visit.

This book provides great reviews and ideas for a trip to Indy. I've highlighted, check-marked, and dog-eared the pages. The distances, bus info, and points of interest, restaurant ratings are helpful. Also, not too large to stuff into your carry-on.

this is a little general for a tour book, but it's the only one out there, and does contain good information about museums, etc. though not much help to decide how much time to spend where and on what
