Accessing The Kingdom Realms

Synopsis

Follow Del on her personal journey of intimacy into the heart of the Father, Jesus, and Holy Spirit. While everyone's journey is uniquely their own, Del provides keys to help you cultivate a close relationship with each member of the Trinity. In this experiential book, you will find a map to guide you as you pursue the Trinity as well. Accessing Kingdom Realms is not just theory or head knowledge where you only dream about what you can do; it's about learning how to step into all that YHWH has for us here on earth today. All that's required is a willing, God-sanctified imagination. "Come up here!" says a voice from heaven. Read about Del's encounters, then activate your imagination to step deeper into the presence of YHWH. Worship at the throne, dance with the Father, and step into that intimate place as only a son or daughter can do.

Customer Reviews

The way Del describes her encounters are so inspiring and the explanations thereof are wonderful. Furthermore the references are of great help. I loved the chapter on Holy communion relating to our DNA changing.

I just devoured this book! It was that good! I felt like I was on a journey with Del as she gave so many real life experiences of her own encounters with the lord. What I loved about this is that the author was taking me with her as I read her amazing stories of when she met with Jesus. She made dialoguing with Jesus so interesting and real life like. Made my heart yearn for more of what she spoke about. Her lessons learned from each experience was so refreshing to me as well as I feel that sometimes when we enter into encounters, we fail to see the significance of the encounter with the lord. Well, I hope that this book will take you on your own journey with the lord and that you will realize along with me that this is available to every born again believer and it is not just for the select few... but as you journey along, don't forget to take notice of the lessons to be gleaned from each encounter. Thank you Del for articulating your story so eloquently and encouraging us to move forward in our pursuit of Him... The key of course is spending time with Him.
