Customer Reviews

"This travel journal is perfect for roadtrips, long plane rides, weekend excursions in the woods, and every kind of adventure in between. Kids are prompted and encouraged to draw and write about their most exciting moments, the food they ate, the people they met, the places they saw...Grab one for each kid, each trip, and then keep them as incredible memories of your family adventures."

my 7 year old grand daughter will be able to write her impression when she travels this summer the first time to Germany.

I loved the journal, but my son wanted more space to write his own thoughts. It's great if kids need writing prompts, but it would be great to have more free space too.

Perfect for my 8 year old grandson

Great!

Great variety of activities for my son to do during our long vacation in Vietnam. It sort of assumes group travel with some of them, but we just skipped those pages. :)

Super cute for kids gift :)

My nephew loves it!

Very pleased with this travel journal. It met my expectations. Since my granddaughter is only 4, she did need help with the journal; however, the pages were excellent and good documentation overall.
