Selections From O Brother, Where Art Thou: Mandolin

Synopsis

(Fretted). Perfect for beginning to advanced players, this collection contains both note-for-note transcribed mandolin solos, as well as mandolin arrangements of the melody lines for 11 songs from this Grammy-winning Album of the Year: Angel Band * The Big Rock Candy Mountain * Down to the River to Pray * I Am a Man of Constant Sorrow * I Am Weary (Let Me Rest) * I'll Fly Away * In the Highways (I'll Be Somewhere Working for My Lord) * In the Jailhouse Now * Indian War Whoop * Keep on the Sunny Side * You Are My Sunshine. Chord diagrams provided for each song match the chords from the original recording, and all songs are in their original key. Includes tab, lyrics and a mandolin notation legend.

Customer Reviews

Founded in 1947, Hal Leonard Corporation has become the worlds largest print music publisher, representing some of the greatest songwriters and artists of all time. We are proud to publish titles of interest to all musicians as well as music lovers, from songbooks and instructional titles to artist biographies and instrument price guides to books about the music industry and all the performing arts.

I notice that the guitar edition's reviews are placed under the mandolin and banjo tab editions as well, so I would just like to say that they are much like the guitar edition. All instrument formats feature exact transcriptions for the songs that feature that instrument (i.e. "man of constant sorrow"

and "hard time killing floor blues" are transcribed note for note in the guitar version) often including arrangements of the melody for other songs that may not actually be heard on the soundtrack (i.e. there is no mandolin heard on "big rock candy mountain", but the mandolin book includes an arrangement that sounds nice anyway. Also, many times the mandolin or dobro parts are arranged for guitar in the guitar edition on songs like "you are my sunshine"). btw-For the reviewer who asked, yes Norman Blake's instrumental version of "man of constant sorrow" is transcribed in full in the guitar edition, but Blake plays it with a flatpick, not fingerstyle. It is very hard to tell the difference by ear, but offers many bluegrass guitar instructional books that cover this method, known as "cross picking".

The songs in this book are easy to play and they are fun to play. This is a good book for beginners.

I found the selections well chosen; some of the music is complicated, some simple and I picked up the music with varying degrees of satisfaction; I use this book often.

Some challenging, mostly beginner to some experience.

A good book to learn the melodies of the movie O Brother. Man of Constant Sorrow staying my favorite piece

It could use a little more instruction on the rhythm, but then again I can only read tabs so it's my fault.

as advertised and timely delivery

The musical selections in "O Brother, Where Art Thou" was purchased as a gift for my son. The selections have proved to be wonderful addition to his other music.
