SHARON SANTONI-SMITH grew up in England, married a Frenchman, and has raised her family in Normandy, France. Her blog, *My French Country Home*, is read daily by thousands all over the world. She writes about life in rural France; the ups and downs of family life; her inspiring French girlfriends; the intricacies of village life; and her love of searching for brocante treasure in the flea markets of Paris and the countryside.

What a beautiful book. I follow the authors blog so was happy to get this book.

This is a gorgeous, sumptuous large-format book of beauty and inspiration. I've followed Sharon Santoni's blog for years and this volume distills and exemplifies the essence of the charming moments and memories of her idyllic life in the French countryside. Filled with lush, evocative images and ideas for casual but distinctive gatherings, the pages take you into a celebration of the seasons, each as glorious as the other, with Sharon's distinctive flair for decor and floral styling. Magnifique! Highly recommended.

This is a beautiful book, lovingly photographed and narrated in a warm, friendly tone. I felt as though I had visited a long-known friend who described her life and lifestyle in her adopted country. There is no "you should do this or tsk! tsk! tsk!" Well done!
