Reki Kawahara is an award winning author best known for his light novel series, Sword Art Online and Accel World.

Probably the most impactful story so far. Mother's Rosario is one of my personal favorite arcs in Sword Art Online. A beautiful story of a meeting between Asuna "The Berserk Healer" and Yuuki "The Absolute Sword". Although Kirito is involved in this story, this arc focuses mostly on Asuna, Yuuki, and the Sleeping Knight's. Asuna makes many new friends, but faces just as many challenges in ALfheim as well as in reality. Steel yourself for the legendary tale of The Sleeping Knight's as they journey to have their names etched into the Monument of Swordsman.

I've been addicted to the Sword Art Online series watched till my eyes pretty much bled then I found out about the books, let me say this they are even better than the show I am so glad they are

releasing them all in English and i hope Reki Kawahara will continue to release them, I cannot wait for the Alicization plot!

One of THE best releases in the whole Sword Art Online series. This arc is just amazing but bring some tissues for the ride, you'll need them.

Being a fan of SAO, I really enjoyed the story of Asuna and Yuuki.

The book had great English translations and was an overall great book

Great book, easy read!

love it
