Sir Gawain And The Green Knight; Pearl; [and] Sir Orfeo

Synopsis

SIR GAWAIN AND THE GREEN KNIGHT, PEARL, and SIR ORFEO are masterpieces of a remote and exotic age--the age of chivalry and wizards, knights and holy quests. Yet it is only in the unique artistry and imagination of J.R.R. Tolkien that the language, romance, and power of these great stories comes to life for modern readers, in this masterful and compelling new translation.

Book Information

Mass Market Paperback: 214 pages

Publisher: Del Rey (July 1, 1988)

Language: English

Customer Reviews

'The introduction to Gawain is a little masterpiece.'Times Higher Educational Supplement 'This magnificent Arthurian tale of love, sex, honour, social tact, personal integrity and folk-magic is one of the greatest and most approachable narrative poems in the language. Tolkien's version makes it come triumphantly alive, a moving and consoling elegy.'Birmingham Post --This text refers to the Audible Audio Edition edition.

Perfect for our school needs. Price was good for not having to run all over the major metro finding everything we needed.

What's better than Sir Gawain? Sir Gawain translated Tolkien you say? What's better than Sir Gawain translated by Tolkien? Sir Gawain translated Tolkien read Terry Jones of Monty Python's Flying Circus you say!!!! This is beyond brilliant and quite possibly the most fun I've had with an audio book since I found C. S. Lewis' Screwtape Letters read Sir John Cleese. Terry Jones' little lisp, Tolkien's maintenance of the alliteration to fault, and the Pearl Poet's insane plot is a perfect combination. I have to admit though, I find myself picturing the Green Knight as Sean Connery when I listen to this copy... It's just too fun. I highly recommend this!

great read

It's a classic.

This is a really fascinating subversion of the tropes of courtly love. Roles generally given to women are given to religion, and quests that in earlier literature are completely external are internalized. I read this for a college course on Arthurian romances and it was definitely one of my favorite books we read. This version has the Middle English (which is difficult Middle English, by the way -- more difficult than Chaucer) on one page and a modern English translation on the facing page.

Excellent book. Highly entertaining!

Great addition to a JRR Tolkien fanatic, however it is not a novel but more of a remake of old poem. Is hard to understand at times but overall a great collection of work.

Tolkien is such a master of language, imagery, and just writing a whopping good tale.
