My 4 year old is a huge fan of these books and so I added this one to her collection. Just like the others, this one doesn't disappoint. The pages are colorful and full of things to look at. The story line is cute and this has become a favorite bedtime read in our home. If you have a Pinkalicious fan, I highly recommend you add this one to your collection!

Lovely read for young ladies! We have read all the Pinkalicious series books.

Ordered this and two other books for my Grand Daughter's second birthday. She loves books, so she is happy with her gift of books.

My daughter loves Pinkalicious, I will admit I don't really like the Pinkalicious series but she received one book and kept asking me for more so now she has 4. Of the 4, this is my favorite one. I can't really tell you why I don't like these books. They just aren't my favorite to read over and over again and, as nearly all parents know, when a child has a favorite book you will read it many many times.

A preschool favorite

This third installment in the "icious" series (*Pinkalicious* and *Purplicious*) addresses how kids imagine and create. Our main character and her brother play and interact with a magical unicorn, Goldie. Having an imaginary friend who encourages siblings to run around, play outside, and ultimately,

play together, is a winner in our house. Check out all three books - my 6 year old just bought this latest one with her own birthday money - that says something about it!

Love this series

My four year old loves it & all the pinkalicious books
