## **Customer Reviews**

User needed book for class. Really useful

I bought the book new and the total ended up being \$114. With that in mind, tell me why the book had a rip on the binded part -\_- I really want to give it back because that's bs but I already have college assignments that require the book. Because the book was bought NEW it should be NEW. Be careful guys.

**THIS BOOK WAS IN BAD SHAPE NOT GOOD AT ALL TEAR COVER AND BENT PAGES**

used as textbook

Even though I am not finished reading this book, it is so far a good english book.

Terrible condition. Huge unknown brown stain on a page.

This has been one of the best Humanities textbooks I've used in my generals.

Good!
