Customer Reviews

Great score. Always have needed to buy it and Finally did. I wish it was a bit cheaper, and I definitely would've loved a hard cover as it would last longer, but I can't complain.

IMHO, this is a relatively expensive paperback score. When I have purchased (through) from Marketplace sellers, my books/scores have been carefully wrapped to prevent any damage during shipment. Although nothing was torn, the front cover and several pages were considerably bent upon receipt. The unwrapped book was placed into a cardboard box where the box's inner flap could (and did) bend the score. Petty? Perhaps. But I also spent \$18 in order to receive the book in two days. Surely a bit more care would have been in order.
