Legal Research Explained (Aspen College)

Synopsis

Legal Research Explained provides a building-block approach to the fundamentals of legal research for paralegal students. The fundamentals of legal research for paralegal students. The text is divided into five separate sections, as follows: 1) conducting legal research using primary authorities; 2) conducting legal research using secondary authorities and other research aids; 3) electronic and computer resources; 4) legal citation form and validating authorities; and 5) "putting it all together," providing a final overview of the legal research process. Although based on the legal research section of author Deborah Bouchoux's highly successful Legal Research and Writing for Paralegals, the material in Legal Research Explained is modified and condensed to fit a legal research-only course. All-new research assignments in each chapter give students practice with both conventional print resources and on-line sources. Helpful charts, diagrams, and sample pages from research resources help students understand complex topics. In addition, Practice Tips in each chapter offer realistic and helpful suggestions for workplace success and Ethics notes are included throughout the book.
