Who Am I To Judge?: Responding To Relativism With Logic And Love

Synopsis

"Don't be so judgmental!" "Why are Christians so intolerant?" "Why can't we just coexist?" In an age in which preference has replaced morality, many people find it difficult to speak the truth, afraid of the reactions they will receive if they say something is right or wrong. Using engaging stories and personal experience, Edward Sri helps us understand the classical view of morality and equips us to engage relativism, appealing to both the head and the heart. Learn how Catholic morality is all about love, why making a judgment is not judging a person's soul, and why, in the words of Pope Francis, "relativism wounds people." Topics include: Real Freedom, Real Love Sharing truth with compassion Why "I disagree" doesn't mean "I hate you"

Customer Reviews

"Too often our culture confuses love with moral relativism, and it is a dangerous misunderstanding. In this much-needed book, Dr. Edward Sri shows us that true compassion can never be separated from moral realities." --Jennifer Fulwiler, author, *Something other than God* "Pope Emeritus Benedict often spoke of the 'dictatorship of relativism,' and Pope Francis called relativism 'the spiritual poverty of our time.' Edward Sri heeds the clarion call to action and offers practical tools to talk about moral truth with greater conviction, clarity, and compassion in a world saturated by relativism." --Curtis Martin, founder, FOCUS

Edward Sri, Ph.D., well-known Catholic speaker and the author of several best-selling books, is a professor of Theology and Scripture at the Augustine Institute, and host of the acclaimed film series,

Symbolon. He is also a founding leader of FOCUS (Fellowship of Catholic University Students). He holds a doctorate in theology from the Pontifical University of St. Thomas Aquinas in Rome.

Edward Sri did it again. So powerful!

It shows exactly how to answer the question of Relativism; however it also points out that it starts with us and our attitude toward others. The starting point after all the tactics are spelled out is our attitude and prayer. Without that nothing else will work. A person confined against their will is of the same opinion still.

This book was OK.

little too academic for my level of sophistication
