Bibury: A Cotswold Village (Driveabout)

Synopsis

Welcome to Bibury William Morris once described Bibury as "the beautiful village in England." It is a very special village, with a character of its own, but with a tradition and feel that's purely Cotswolds. Many people return to Bibury, time and time again, breathing in the beauty and the tranquility of the river meandering through the Coln Valley, with the enchanting Cotswold stone cottages and old Mills. If you come to Bibury early in the morning, as the mist rolls gently back from the hills surrounding the village, you will find a row of traditional Cotswold cottages, well known throughout England, and indeed the world. This row of weavers' cottages as shown on the front cover is known as Arlington Row, and is perhaps one of the most photographed places in the Cotswolds
