Beautiful Tempest

Synopsis

New York Times best-selling author Johanna Lindsey now reveals the tempestuous story of Jacqueline Malory, whose furious desire for revenge leads to a confrontation with the handsome pirate who abducted her - and sparks a much steamier kind of desire. For the first time, James Malory and his Anderson in-laws agree on something: It's payback time for the culprit who kidnapped James and Georgina's beloved daughter, Jack, from her American debutante party and whisked her away to the Caribbean, no matter that she escaped unscathed. James figured out who masterminded the dastardly plot and is leading a fleet of ships to the West Indies to deliver some Malory-style retribution. More interested in revenge than in finding a husband during her first London Season, Jack is furious that her father left her behind. Then an intriguing stranger leads her and her older brother, Jeremy, to her mysterious abductor. But instead of capturing him, the Malory siblings wind up as his "guests" on a ship sailing away from England. As Jack reengages in a battle of wills with her all too attentive captor, she realizes he is no ordinary pirate, perhaps no pirate at all, but a nobleman determined to settle a score that dates back to the days when her father was known as Captain Hawk - and what endangers her most is the increasingly passionate attraction they feel for each other.

Book Information

Audible Audio Edition

Listening Length: 9 hours and 57 minutes

Program Type: Audiobook

Version: Unabridged

Publisher: Recorded Books, Inc.

Audible.com Release Date: July 11, 2017

ASIN: B0716YBNY5

Best Sellers Rank: #49 in Books > Audible Audiobooks > Romance > Historical #327 in Books > Romance > Action & Adventure #633 in Books > Romance > Historical > Regency

Customer Reviews

She has written the same story so many times...I could have written this one myself since I have read most of her other Malory books. I was hoping for something more realistic. Less egotistical attitudes. I couldn't read past chapter 7. Her characters were so nauseous. I wasted ten dollars

which is annoying since I have really enjoyed her earlier books and the western ones. Oh well next time if there is one I will read the reviews and the sample more carefully.

I absolutely love anything that Johanna Lindsey writes. This story just confirmed it for me. The Malory's are one of my fave families to read about. They never disappoint me when it comes to making me laugh, cry, angry, and fall absolutely full heart and soul in love with them. This story is a great addition to the series. I totally believe you will not be disappointed. It actually makes you want to go back to the very first and start all over.

It never disappoints. It's so easy to get sucked into the Malory family. I wish the books came faster. Excellent story, this has inspired me to read some stories for the second time.

Ms Lindsey's usual great reading. I always love visiting with the Malory and Anderson families.

I love love love this entire series! It makes me a little sad that the characters all seem to have found their HEAs so I won't have the opportunity to read more from this series!!!

Cannot get into not the same as other books. It recaps entire history

Another excellent read, can't get enough of Johanna Lindsey

I believe i have read everyone of her books and i have reread quite a few of them some probably 8 time over. Man of my dreams is my favorite. I have never been sorry i read one always been entertaining.
