# Wesley And The People Called Methodist

## Synopsis

This survey of the Wesleyan movement in the eighteenth century is the story of many people whose lives and thoughts are woven together in the developing theology, organization, and mission of Methodism. Wesley's own pilgrimage of faith is of course central to the emergence of Methodism, but we also see the contributions of many others--friends and critics alike--whose lives and thoughts helped shape the movement. Conflict as well as courage helped forge the distinctive Wesleyan emphases that constituted for them the "scripture way of salvation." We see the evolution of practical ways to nourish "holiness of heart and life" through the development of societies and schools, classes and bands, conferences and clinics, and many other forms of organization and mission that eventually secure Methodism into the social and religious fabric of British society. --This text refers to an out of print or unavailable edition of this title.

## Book Information

## Customer Reviews

Richard P. Heitzenrater is William Kellon Quick Professor Emeritus of Church History and Wesley Studies at The Divinity School, Duke University, Durham, North Carolina; and General Editor of the Bicentennial Edition of the Works of John Wesley. He is also a member of the board of Kingswood Books. He lives in Durham, North Carolina.

I follow Wesley & his methods, and they work extremely well in Ivory Coast, of West Africa! I recommend this book to all who love the ministry and teachings of Rev. John Wesley!!!

fair product

This is a graduate level book. I am taking graduate level course. I purchased this book at an excellent price. The book arrived timely and in excellent condition. The book is a good read. Has lots of key information in it.

Got it as promised

A little too scholarly than what I was looking for.

I bought this book for my niece and she has enjoyed reading it.

This book was amazing. I was able to read this book like a novel and it told me so much about the UMC that I am glad to be called a Methodist!

This purchase was made for my course of study and it meets my expectation in regard to the condition that it is in.
