Cheryl Haynes has crafting in her blood: her parents were basket makers and her grandmothers were quilters. She has designed well over 300 patterns and books. She has had quilts displayed in Calendars and various quilting magazines. She began her business by hand crafting oak and reed baskets, designing patterns for dolls and quilted wall hangings. Today she runs the Prarie Grove Peddler, a pattern website. Sarah has been immersed in the craft industry from a very young age, thanks to her mother, Cheryl Haynes. Sarah now invests her creativity in her new design company, A Dash of Whimsy.

I'm still a novice learning punch needle; but after the purchase of this book, I'm able to create my own crafts using quilting ideas along with punch needle. I would definitely recommend this book. The pictures and projects are very easy to see and directions to follow.

Love the patterns... easy to follow.

Can't wait to try punch needle

Not as much information as I thought there would be

ok

Haven't used the patterns yet but they have potential. This is a lost hobby, so it's hard to find books versus actual kits.

Thank you, enjoying the book.

Looking forward to get started in needle punch and this book should help.
