Treasure Island: An Audible Original Drama

Synopsis

Audible Originals takes to the high seas to bring to life this timeless tale of pirates, lost treasure maps and mutiny, starring BAFTA-nominated Catherine Tate (The Catherine Tate Show, The Office, Doctor Who), Philip Glenister (Outcast, Life On Mars), Owen Teale (Game of Thrones, Pulse, Last Legion) and Daniel Mays (The Adventures of Tintin, Rogue One, Atonement), amongst others. When weathered old sailor Billy Bones arrives at the inn of young Jim Hawkins' parents, it is the start of an adventure beyond anything he could have imagined. When Bones dies mysteriously, Jim stumbles across a map of a mysterious island in his sea chest, where X marks the spot of a stash of buried pirate gold. Soon after setting sail to recover the treasure, Jim realises that he's not the only one intent on discovering the hoard. Suddenly he is thrown into a world of treachery, mutiny, castaways and murder, and at the centre of it all is the charming but sinister Long John Silver, who will stop at nothing to grab his share of the loot. One of the best-loved adventure stories ever written, Robert Louis Stevenson's 1881 novel introduced us to characters such as the unforgettable Long John Silver, forever associating peg-legged pirates with 'X marks the spot' in our cultural consciousness. Following the success of the double Audie Award-winning Rudyard Kipling's The Jungle Book: The Mowgli Stories, Audible Originals UK are excited to announce this reimagination of Stevenson's coming-of-age story that will captivate all of the family.

Book Information

Audible Audio Edition

Listening Length: 6 hours and 26 minutes

Program Type: Audiobook

Version: Original recording

Publisher: Audible Studios

Audible.com Release Date: August 17, 2017

Language: English

ASIN: B071WQPBKP

Best Sellers Rank: #78 in Books > Audible Audiobooks > Fiction & Literature > Classics #345 in Books > Literature & Fiction > Classics
