Customer Reviews

It's a great book. Very organized by interest level and difficulty. Unfortunately, the book only lists one trail for each location. Double check the websites for additional trail information.

We live in Flemington and there are so many hikes near our house!! Don't get dissuaded since the title says 'Philadelphia'. Great details and parking instructions. We are working our way through the book and have really enjoyed exploring areas we didn't know about even though we have lived in the area all our lives.

I am a new hiker looking for local and nearby hikes. This book offers exact directions including GPS parameters. Information such as dog friendly, time of year to hike for best scenery and wildlife, topography, mileage/kilometer info., and landmarks are clearly expressed and available to me for planning purposes. I would recommend this book to anyone interested in locating interesting hikes in the specified area.

Great book for hikers, especially beginners like myself. It is so thorough with hiking tips, guided trails, and detailed maps and facts about the trail! I have been recommending this book to all of my friends.

GREAT GIFT FOR MY ACTIVE DAUGHTER RECENTLY RELOCATED TO THIS PHILADELPHIA AREA.

love the book. it is a comprehensive and easy to use and read book on all the great hiking places in the philadelphia and surrounding areas. have already driven past places that i now recognize from reading up on hiking. i plan to go on my first hike next weekend! money well spent!

well laid out book. Good map. Does have the GPS coord for the trail head which is excellent but it also has the address on most of the walks too. Glad I purchased.

I really enjoy this book. We have only used it 3 times so far and have had 3 great hikes. I highly recommend it!
