Daddy's Little Earner

Synopsis

The shocking story of a young girl forced into prostitution by her own father, and her painful journey to escape her horrific childhood and build a new life for herself and her sons. Maria's dad was a pimp, living in a world of thieves and street-walkers. Her mother, tiring of turning tricks for her husband, walked out, leaving the children in his chaotic, violent and sometimes cruel care. By the age of nine, Maria's father was abusing her and getting a prostitute friend to dress her up in stockings and make-up. By the time she was fourteen he was selling her on the streets of the red light district in Norwich. Despite everything Maria still loved her swaggering and sometimes charming father and found it hard to sort out her own feelings. At fifteen she ran away to King's Cross with an older lover who turned out to be just another pimp. Furious at losing a nice little earner her father involved the police and both he and the other man were jailed for living off Maria's immoral earnings. Only then could Maria escape her traumatic childhood and follow her dream of becoming a mother.

Customer Reviews

Such a sad life this little girl had to live. It is so heart breaking, that you want to get in the book to save her. I would recommend this book. I could not put the book down. It broke my heart. I do not want to give away the end of the book.

Great book. It makes you think.

A very sad story. An excellent book to read about this girl's horrific upbringing. A true story. A must read.. Highly recommended.

Kept my interest but a bit repetitive at times. It would have been nice to have the ending last a bit longer, but it was good.

Good book, but some stuff is hard to believe. As for her father, shame on him!!! But wish she would have said where brothers went and how they ended up. Some spelling was hard. But in all a good book. But I won't buy any more of her books.

I couldn't put this book down! I kept reading and hoping she'd be able to get away from her father and live a much better life.

RATTLED ON TOO MUCH ABOUT THE SAME THING OVER AND OVER

I kept getting bogged down with this book and a bit bored. It seems like it just kept saying the same thing over and over, but then I guess that was her life for so many years. Run away, run back, go away, come back... It was a good book and once I finally finished I'd say I enjoyed it, but it can be hard to get through. The ending seemed a bit abrupt given all the details in the middle.
