The Law Of Business Organizations: Cases, Materials, And Problems, 12th (American Casebook Series)

Synopsis

This title covers the law of business associations for introductory courses. It discusses business organizations, including agency, general partnerships, closely held corporations, publicly held corporations, limited partnerships, limited liability partnerships, and limited liability companies. The material on the unincorporated business forms has been revised, updated, and expanded to reflect the centrality of these forms of business organization in modern law practice and in the economy generally. Among other state and model statutes, the Revised Uniform LLC Act (2006), the Revised Uniform Partnership Act (1997), the Uniform Limited Partnership Act (2001), and the Third Restatement of Agency (2006) are discussed and cited.
