Synopsis

NOTE: This ISBN includes Print book only and does not include an access code.*Connect Spanish, including but not limited to the workbook/lab manual, LearnSmart, the video program, and chat tools, is sold separately and does not come automatically with the purchase of the textbook. MÁ•S is an Intermediate Spanish program built on the assumption that students learn best when they are fully engaged. Each component of the MÁ•S experience is designed to spark curiosity and inspire critical thinking, from its unique magazine format to its thought-provoking readings and stunning short film collection. In addition to providing intriguing and timely cultural content and a solid review of structures covered in the first year, MÁ•S places a strong emphasis on open-ended communication, ensuring that students benefit from a wealth of opportunities for communicative practice, both in class and online. Students who need additional practice with grammar and vocabulary to meet second-year expectations can strengthen their skills using LearnSmart, an adaptive learning tool that gives them the opportunity to focus their study time where they most need it. Through its diverse and lively view of the Spanish-speaking world, MÁ•S motivates a new generation of students to be inspired to communicate in Spanish. This new, stronger edition of MÁ•S welcomes multiple new readings, more communicative activities, new visuals, an eBook, as well as multiple resources online through Connect Spanish that address a variety of learning styles and student behaviors. Each feature of MÁ•S has been carefully selected to introduce important elements of the Spanish-speaking world and encourage exploration of different mediums of authentic content to both inspire and intrigue students' language learning experience. We are excited about the many new learning opportunities we have brought to this edition of MÁ•S, and we hope that it pushes our students to explore the Spanish-speaking world beyond the classroom, always seeking to learn and do more.

The textbook was helpful in helping me pass my Spanish class however the book was in fairly poor condition even though I knew it was second hand. Also had some of the answers written in them, half of which were wrong.

Great! As described,

Book came with food and gum in between pages.

This book has all the answers written in it. And the hand-writing isn't even legible. And the answers are partially wrong.

Really good price and excellent shipping time!!

Good book but in poor condition even for second hand. The pages are stuck together. Otherwise I

would have no complaint.

I have a very helpful time with MAS. This book helps me with my homework and explains hard-to-understand words in a way I can get a grip of what the book is talking about.

I was hoping for some words in English to help me understand the text, but it is an awesome book to have for class.
