My granddaughter got a mini Kristen doll for Christmas and I gave her this book to go with the doll. It was so interesting I read it with her. It's filled with facts and great pictures.

I read this book last night. It is wonderful. My homeschooled daughter is going to love it. She enjoys the american girl books, so I thought this book would go along with those. I will get more of these in the near future of the other characters. I recommend this book.

This is a book about one of the American Girl dolls. There is one for each of the original dolls. They are an excellent source of factual information about that period of history. They even have photos from that particular time in history.

American Girl books are hard to find and I was grateful for the prompt service and excellent

condition of the book. My granddaughter loved receiving the book.

Wonderful book for classes about the pioneer times. Pictures are greatthank you for such a good reference3 guide it will be helpful

A must have for Kirsten doll owners and American Girl fans. It makes the book collection complete. Good first history books.
