# Amazing Picture Puzzles

## Synopsis

Imagine several photos that appear identical at first glance, but which contain subtle differences that only a discerning eye can spot. In *Amazing Picture Puzzles*, readers will have to use all their powers of observation to spot the differences in photos showing crowds of people, busy cityscapes, and all sorts of animals. With meters measuring the difficulty of each puzzle, boxes for readers to fill in their times and keep track of their progress, and an answer key in the back of the book. *Amazing Picture Puzzles* is filled with the best brain-teasers for anyone looking for a visual challenge.

## Customer Reviews

Thunder Bay Press publishes nonfiction, illustrated books that often contain specially commissioned photography. Subjects include architecture, cooking, sports, history, transportation, and nature. From comprehensive reference titles to regional picture books, Thunder Bay Press presents titles of exceptional value and broad market appeal.

I originally started purchasing picture puzzle books years ago for my kids, but I am the one who ended up enjoying them. I love the challenge of trying to find the differences. This *Amazing Picture Puzzles* book by Thunder Bay Press is a 287-page spiral bound collection of over 200 puzzles, ranging in difficulty from simple to difficult to complex. The pictures are brightly colored and mainly include people, cityscapes, and animals. If you don't mind writing in the book, you can circle the differences, then check off the circles at the bottom of the page to keep track of how many

differences you have found. (If you plan on sharing the book or redoing the puzzles at a later date, I do not recommend writing in the book.) If you cannot find a difference, the answers are located at the back of the book. I find the puzzles in this book comparable to those in the Life picture puzzle series. I had not paid attention to the dimensions of the book before ordering and expected the book to be larger. The book (not including the spiral binding) is approximately 6.4 x 8.5 inches. I would recommend this book for anyone who enjoys this type of puzzle.

Great books to keep your mind active. I am 63 and want to keep my brain healthy. This is a good way to do it.

great book, loads of fun.

like the book

always fun

great book

I love these puzzles. Can't put them down. Going to order more.
