Dead Fall: A Joe Hunter Story (Joe Hunter Novels)

Synopsis

Matt Hilton's first e-book exclusive short story, featuring ex-military operative Joe Hunter. When the bodies of two friends are found near the penthouse apartment of a known crime boss, Joe Hunter has revenge on his mind. He's never tolerated bullies, but this time it's personal. And no matter how many heads he has to bash to do it, Joe will find his man. Includes a sneak preview of Blood and Ashes, the exhilarating fifth novel in the Joe Hunter series.

Customer Reviews

William Murray sold stuff illegal, but he was a nice little guy. When he supposedly committed "suicide" by jumping off the roof of crime boss Mick O'Neill's building, Hunter knew what actually happened. O'Neill and four witness claimed they didn't even know Murray had jumped until the ruckus of arriving police cars alerted them. But there was only one elevator that went to the penthouse and one needed a key to make it work. Hunter was ready to go in then, but his partner Rink calmed him down. That would only get him in jail for murder. Better to wait a bit. And plan. But when prostitute Candace Berry was found shot in the back of the head, Hunter knew he couldn't wait any longer. Candace was another friend who plied her trade to support two children. Her pimp

answered to O'Neill. So he went in. With a plan. O'Neill would pay, just not in the manner one would think. Another good tale.

Joe Hunter's back on the streets of Tampa delivering his brand of justice in this excellent short story from Matt Hilton. This adventure finds Joe up against an Irishman named Mick O'Neill with a penchant for throwing people out of upper floor windows. This time O'Neill has given the wrong person flying lessons and Hunter doesn't take kindly to it. As is par for the course with Mr. Hilton this book delivers in the same explosive ways that his previous outings with Joe Hunter have and it's worthy of a five star recommendation! The writing here is excellently paced and there's no time wasted before the fists are flying. So go forth and be hunted!

I enjoy Matt Hilton's books -- they are very easy and most interesting to read -- each and every page. I love his character Joe Hunter -- I wish there were more people like him in this world -- that is Joe Hunter. If you want to read a good thriller/mystery and easy and interesting all the way through, "Dead Fall" is a book for you !!

Joe Hunter doing what he does best. He gets the bad guys and helps the cops too. Stay tuned for more great stories.

Really enjoy Joe Hunter stories. Very auctioned packed. Have read all of his books. Wish there were more of his books.

I like the novels better than this one short story, but none the less, it was entertaining and Joe was Joe.

A typical Joe Hunter story. Several interesting characters and a lot of action from page one. Joe Hunter a bad dude.

This starts out as a noir-tough guy, very interesting. However, it is little more than a short story. I find the character interesting, but it is more like reading a sample of a story about Joe Hunter. Don't think I'll spend money on future short stories by Hilton.
