The greatest collection ever of One-Liners, Wisecracks, Insults, Introductions and just plain superb comedy from the king of one-liners, Henny Youngman. Ten thousand jokes organized by subject!

I found this book of one liner's fantastic. I had a dull personality and was very shy until I started reading HENNY YOUNGMAN'S 10,000 One - Liners. Now who ever I meet, I say a couple of jokes and people feel more comfortable around me and I feel a lot more comfortable around people. For the first time in my life, I have much more confidence in myself than I ever had. I was always quite at parties, and stayed in the background. Now I really make people laugh and what a wonderful gift it is to make people laugh. This book has a table of contents for every occasion. Even one joke makes the whole difference in the my personality. Friends of mine who have not seen me in a few years, can't believe it..This book has photos of Henny Youngman and many comedians and actors.

i love Henny Youngman Jokes and Please keep finding me more to read of his brand of one liners. the jokes are good and fast and on all subjects. i find that i really like the old radio & vaudevillians, comedians. that brand of humor whether Benny Hope Skelton Burns Youngman Fields Durante are all good clean fun, oh and how could i forget Groucho. i don't seem to like the lame Saturday Night crowd of no talent idiots...they just have to be obscene and young to be on tv now, not good and

funny like a Carson. just a great book ... Please.

Lots of these one liners are not Henny Youngman type material. Several are repeated in different sections or, sometime, with just a few words changed, in the same section. It probably is 10,000 one liners which explains why the quality level is so low. It would be good for speakers who need humorous lines on a certain subject to liven up a talk.

great guy very funny and original clean great humor unique, none like him the best

Just great Henny humor...I've always wanted his book of one liners so I could be funny too..."that's a joke"...only one Henny...RIP...

A gift for an emcee--who loved it! His wife reported he had a "laugh a minute" from the moment he began reading. Will be shared with many! Henny, hope you know how many folks love your humor.

just as advertised

This book is filled w/ thousands of one-liner that cover every topic possible. I e-mail 1 or 2 one-liners every day. It also helps to be "joke central" at gatherings
