Customer Reviews

My Sister-in-law loves these Calendars.. I've never looked at one. The cost at is always better than elsewhere. Most convenient Xmas shopping ever.. So, I might be buying this calendar every year for another 10 or 20 years..?.

I purchased this as a gift, and the person to whom I gave it seemed happy to receive it. I know the recipient enjoys Scrabble, as well as crossword puzzles and Words With Friends, and having owned such a calendar once myself in the past, I suspect this one will see regular use.

I've uses this Scrabble calendar for a couple of years now. It's taught me about the game and some great words!

fun, challenging!!

My wife and I love playing Scrabble and were delighted when we received this desk calendar from her sister as a Christmas present. Each day of the week presents a new challenge to help a person become a better Scrabble player. For example, Mondays ask you to make the best play you can with your seven letters. On Tuesdays you have to spot the "bingo" that can be made with the seven

letters on your rack. And so forth. This calendar is certainly going to be a boon to our game, and we're looking forward to spending a whole year with it.

I received this as a gift and can't wait for Jan 1st!! It's more than a word a day, it has tips and tricks, strategies and more!

It feels like exactly the same thing as prior years' calendars of this ilk. I would have hoped for a bit more diversity in the information and challenges. Maybe another round of spot checking as well. It's funny that January 5th indicates that PO is a valid word (it is) and PO is missing from the list of all 2 letter words on January 18th.

Gave as a stocking stuffer to a Scrabble fan! Fun!
