Customer Reviews

More of a magazine than a book at under 140 pages. Also a "Scholastic" edition, so more of a children's issue. Entries are very short (a sentence or two), many have no appropriate photos. Inside flap references the cover photo but gives no information about it whatsoever, then references a second photo that isn't even there. Very disappointed in this book and sorry I spent the money on it. Only took about 30 minutes to read the entire book.
